

# ▶▶ DID YOU KNOW...

that after legalization of cannabis in Colorado, accidental cannabis poisoning of young children rose **34%** per year ...

REMEMBER TO SAY **OOPS** TO PREVENT ACCIDENTAL POISONINGS IN CHILDREN

**O**

## OUTSIDE

If you use cannabis by smoking joints, or using vaporizers, use outside to avoid exposure to second-hand smoke.

**O**

## OUT OF SIGHT

Ensure you use out of view of children, particularly when using edible forms of cannabis.

**P**

## PROPER DISPOSAL

Make sure you dispose of all unused cannabis and related products.

**S**

## SECURE STORAGE

Keep cannabis and related products out of reach and out of site.
